Examiner /Brian-Yong Kwon/ 04/16/2008 Signature Date Considered *EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of

this form with next communication to applicant.

Applicant's unique citation designation number (optional). *See Kind Codes of USPTO Patent Documents at www.uspto.gov, MPEP 901.04 or in the comment box of this document. *Define this issued the document, by the two-letter code (WIPO Standard ST. 3). *For Japanese patent documents, the indication of the year of the repir of the Emperor must precede the serial number of the patent document. Kind of document by the appointaise symbolism standards on the document under WIPO Standard ST. 16 if postice; or Applicant is to indicate there if English language Translation is attached.
